Little Princess Dancers:

On the performance days, parents will drop off their dancers at the door and will not go in to the Big Brown Room. Little Princess dancers will stay in the Big Brown Room for the entire show. You can pick them up after the show is over. They will have some down time after they are on stage so I encourage you to send them with something to do. This is also a great time for them to be a leader and help out with all their Little Baby Sugar Plums! I am sure the room mom would appreciate their help with bathroom breaks and keeping the little ones busy!
